Note: This calendar includes three (3) emergency days. In the event that more days are needed, additional days will be added in the month of June. Then, if more days are required, adjustments will be made from the April and February breaks. Accordingly, the final day of school may be changed depending upon the number of emergency days used. The maximum number of days of attendance for students will be 180. The maximum number of days of attendance for teachers will be 183. The Board of Education reserves the right to modify this calendar except that the days of attendance for teachers will not exceed 183.
